Name: _____

Composition Self-Analysis

Take each composition and poem you have written. Look at the graded copy with all the teacher comments. With each assignment, put tally marks (/////) in the boxes for each date for the problems you have had. Then decide if you are improving in each kind of error (have fewer of that kind) or not. This will allow you to see if you are trying to learn to self-correct your own usual errors.

Assignment Date → / Problems ↓								Improving? (yes or no)	I need help!
Formatting									
Used 1st person (I, my, mine, we, our, ours)									
Used 2nd person (you, your, yours)									
No title
